Dear Participant

REQUEST TO PARTICIPATE IN A SURVEY

Wesgro, the official Tourism, Trade and Investment Promotion Agency for Cape Town and the Western Cape, takes pleasure in inviting you to participate in our Western Cape Health Technology primary research project.

The purpose of this research is to gain further insights into the current status, needs, and expectations of our clients in the health technology sector. These insights will input into Wesgro's strategic business planning process that will in, turn help to fulfil the Agency's mandate of supporting and growing the health technology sector in the Western Cape. The information gathered will aid us in building a more complete view of the health tech ecosystem in the Western Cape and will help in identifying industry challenges and opportunities, and assist us in developing programmes more directly aligned to these needs.

We would greatly appreciate your support in this endeavor. The survey should not take more than 10 minutes to complete. For further information kindly, contact Mr. Joeferry Tugwete at 021 487 8600 or Joeferry@wesgro.co.za

Please refer to the [link](#) to participate in the survey. Your responses will be treated with integrity and confidentiality.

Yours sincerely

Tim Harris
